Dear Keith, Ezra & Fred:

Thank you for, again, being a part of our Family Series programming this past weekend at the Orange County Performing Arts Center's Founders Hall. What a perfect way to kick-off our 05/06 season! The seven sold-out shows were outstanding - filled with warmth, energy, interaction and the greatest music! Our audiences were thrilled with your versatility and your ability to connect to all ages.

Would you be so kind as to send us a signed head shot with a few words to OCPAC that we can hang in our offices. We are creating a wall similar to the lobby of Founders Hall.

Enclosed is \$34.00 in cash that is owed to you due to a miscalculation in merchandise sales.

Again, thank you for your outstanding contribution to our series and for being so professional and wonderful to work with. We look forward to having you back at The Center in one of our new theatres. All the best to you and your loved ones in the upcoming holiday season.

Warmest regards,
